Dear Parents and Carers,

Our first full week back to school and the children have settled to work extremely well. I am very proud of them all for their excellent attitudes towards learning.

On Monday I launched the new behaviour code with the children in our morning service. We talked about our new houses, as well as the new approach to rewards and sanctions. Please be reminded that there is an opportunity for you to hear all about our new behaviour code at the meeting on **Tuesday 16th January at 6.30pm**. You will shortly receive an email inviting you to the meeting. Please respond to the email to let us know if you intend to come along to this meeting.

The Girls football first team who won the Clevedon Cluster last term, went onto the next round. They played in the NSSPEA Finals on Monday and came third, the girls were presented with medals from the organisers.

Wishing you all a very happy and peaceful week ahead

Ian Doswell

Head teacher

This Week ...

A group of Owls Base pupils went to Clevedon Library, the first of the three group visits. They thoroughly enjoyed the experience and were fantastic ambassadors for our school; Library staff were very impressed with their behaviour and attitude to learning, as always!

School Meals – menu change for Thursday next week

Just to let you know that the school meal to be served by Edwards and Ward (our current catering provider) on Thursday 18th January 2018, will be the ever popular '**Build A Burger**' with a selection of extra fillings and a side of wedges and coleslaw. There will of course be a vegetarian burger option available, and also gluten free should this be required. The main dessert option will be chocolate and beetroot brownie, with fruit and yoghurt available as always.

Message from the Friends Association

The next meeting will be held on Thursday 17th January 2018, at 19:00 in the reserved area of The Salthouse, Clevedon. Please come along and bring any fundraising ideas for 2018. All welcome.
