Bronze Kitemark Success!

We are delighted to announce we have received a Bronze School Games Kitemark! The School Games Mark is a Government led award scheme which rewards schools for their commitment to the development of sports competition across schools and into the community. The award represents that we support sports participation for all pupils, with at least 20% of KS2 participating in sports, and we present a positive, encouraging sporting environment at the school where all pupils can succeed and be involved. **Well done to all our pupils for achieving this brilliant award for the school!**

Year 2 and 3 Tennis Day

Last Friday our Year 2 and 3 pupils went to The Avenue Tennis Club in Burnham to participate in a tennis skills day, alongside other children from schools in the area. All the children showed great progression in their tennis skills and lots were very keen to continue playing the sport.

Year 6 Cricket World Cup

Our Year 6s all travelled by train to Taunton on Monday to watch the Women's Cricket World Cup match, Australia vs. West Indies. We all thoroughly enjoyed the day and were inspired by the world class cricket skill on show by the national cricket teams.

Sports Day

Tuesday was our annual sports day, which consisted of our children competing in athletics challenges followed by races, all to earn points for our new house system. All the of children showed great skill in the activities, which all focussed on testing the children's athletic abilities, including: running, jumping, throwing, balance, coordination and strength. The winning houses were GREATWOOD for KS1 and HUISSH for KS2. The overall winning house will be confirmed in assembly at school. Well done to all our competing children and thank you to all our spectators for coming to watch!
