So long! Fare thee well! Pip Pip! Cheerio!

Year Six have now finished their performances of Oliver, but are disappointed that it is over. Everyone performed exceptionally well, whether they had a speaking part, were in the chorus, or helped with props backstage. We received standing ovations both nights and we thank Mrs Farley for the permission to perform, Mr Diper, his assistant William and the backstage crew for helping run the show, the parents for helping with the costumes and coming to watch, and, most importantly, Miss Walsh and Miss Dyer for their brilliant idea to do the show and continued support through the auditions to the last night.

KS2 Sports Day

A massive thank you to Miss Bryant and her team of helpers for another amazing morning of fun.

Year One visit Carrymoor

Year 1 had a great time at Carrymoor, learning all about the environment, and managed to stay cool on a really hot day!

EXPERIENCE SIX

As a permanent reminder of Year 6's eventful visit to the Houses of Parliament, on Thursday 13th July, a tree and time-capsule were buried and planted in the grass by the staff car park. The ceremony began with Mrs Farley and Mr Bowditch addressing the children and parents, before several pupils were called forward to help bury the time-capsule and plant the tree.

We are leaving our primary school with fond memories and even fonder friendships. We are sad to leave our school, after being here for the majority of our childhood, but we will remember St John and St Francis, #bestschool ever forever.

PTA Corner

All of Year Six would like to thank the PTA for the stunning Farewell Party on Thursday 20th July. We made many memories that will last us throughout our time at Secondary School.
