*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

The learning theme is
Marvellous me- Children will find out about the amazing things their bodies can do.

Footprints in the snow - Children will find out about the habitats in colder parts of the world.

Promoting spirituality

Knowledge and understanding of us all being different. Celebrating the uniqueness of ourselves and others. Link with the theme of friendship. We are all wonderful, unique, individuals. How can we celebrate the uniqueness of ourselves and others?

Learning beyond the classroom

The children will take part in forest school activities on a weekly basis. We will be inviting people in to talk about their lives and how it may have been different when they were little. We will have opportunities to join community groups for certain activities

Well Being

Children will be thinking about getting on and falling out, focusing on how we can build relationships with one another and what rules we need in our school to keep us happy and safe. Nurse visit to talk about keeping healthy.

Wider community

We will visit the local salvation army to speak to a group of elderly people from our community about what it was like when they were little. We will be thinking about what they need now that they are older and how we can help them. We will be making some healthy snacks to serve to them to finish our topic. Christmas celebrations and participation in Christian festivals
Parent decoration day at Christmas.
Work around the carnival.

Christian Values

Friendship is essential to human life, relationships and well being. Children will be exploring the links between friendship and forgiveness through the PSHE link 'Relationships.'

Seasonal changes (ongoing) Observe changes across the four seasons. Animals - Describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets). Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense.

Seasonal changes (ongoing) Observe changes across the four seasons. Animals - Identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals. *This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

Our Christian values for this term are:
Perseverance and Kindness

The learning theme is
Mythical creatures and imaginary worlds. The children will be encouraged to use their creativity to stimulate their imaginations. They will also develop an awareness for how to be kind to the planet. The children's stamina to write will be developed as well as a sense of perseverance.

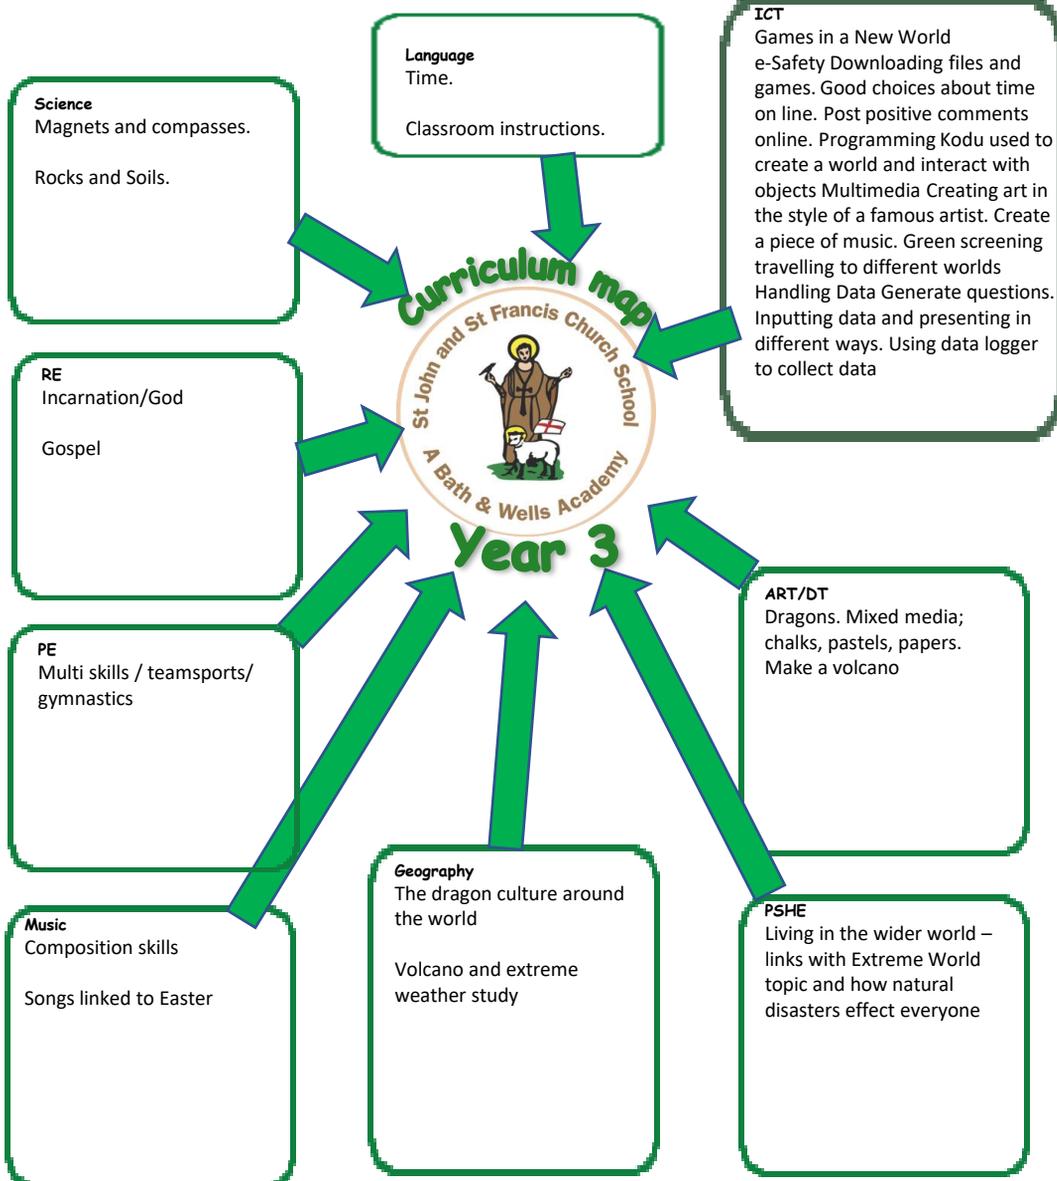

Promoting spirituality
Understanding that all living things have a purpose.
Discussing the creation story and how as Christians we celebrate the resurrection of Jesus.
Links made to other faiths and understanding that all faiths are different in different ways.

Learning beyond the classroom
Survival day - linked to Extreme Earth topic
Outdoor learning- making links to the work the children do in Geography on volcanoes.
Easter bonnet parade- children encouraged to design and make an Easter bonnet to join in with the bonnet parade- parents invited to come and watch.

Well Being
Link made to the themes of kindness and perseverance. Circle time sessions planned to discuss these themes. Making time to focus on ourselves and each other.
A Pet rock - to look after

Wider community
How does Extreme weather impact communities around the world?
Easter celebrations linked to our Church.

Christian Values
Perseverance- a skill that we all need. Things in life are always going to be tricky, how do we deal with this is what defines us. Use the learning pit as a visual.
Kindness- how we treat other people who have a greater need than us. Look at people who suffer effects of Extreme Earth- 'Volcano in my tummy'- a shared text that we look at.

ICT
Games in a New World

*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

The Christian values this term are:
Peace and Thankfulness

The learning theme is
Egyptians. Children will be learning about the past and the impact certain events had on the lives of the people at the time and their lives now. How did the Egyptians keep the peace?

Promoting spirituality
The children will learn about the Egyptians' spirituality and customs. Celebrating differences. Tolerance to others' faiths, in line with the British Values. As the school year draws to a close what do we have to be thankful for.? What are others thankful for?

Learning beyond the classroom
Egyptian Day
Visit museum for Egyptian theme

Well Being
Sports and nutrition. Sports and health week will provide an opportunity to discuss what we eat and why. Children will consider what a 'healthy lifestyle' means. This links with the PSHE theme 'Health and Wellbeing' where children will explore not only how to have a healthy body but also a healthy mind.

Wider community
Sports day is a perfect opportunity for the parents to come into school and see the children competing in a respectful and positive way.
Saying good bye to the year six children - being thankful for the time we had with them.

Christian Values
Peace- children will explore the notion of peace in our classes and around the world. What does it mean to us?
Thankfulness- Thankfulness to those in the past who have helped to shape the world as we know it. Thankfulness for the food that we have.
