*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

Christian Values

- Friendship
- Kindness

The learning themes are:

Consequences - thinking about how people's actions affect others, including people from history.

Differences - seeing that although people may do or believe different things, all people are to be valued.

Promoting spirituality

Understanding that people have different faiths and why this might be.

Appreciating that strong belief helps direct people's actions - both now and in the past.

The background of the Church of England.

Learning beyond the classroom

Outdoor learning to appreciate variety in form and texture in the natural world to support art work.

Using natural materials to help model scientific processes - eg. water cycle - to help with understanding our connection with the environment.

Well Being

Team-building activities for children to appreciate the value of working with others and to recognise their own personal qualities too.

We want the children to focus on the positive aspects of all people they meet.

Wider community

Trip to Montacute House

Creating masks for the carnival.

Christian Values

The children will learn what makes a good friend and how kindness helps bond all people together.

Primary curriculum Map 2017-18

Our Christian Values this term are:

Spring Term- our topics this term are Vikings and Spain

	Half term 1	Half term 2
Maths	Times table practice Revise addition/subtraction/place value and number Multiplication and division Mental strategies and formal written methods Word problems and problem solving Times table practice	Times table practise Review addition/subtraction/multiplication and division Problem solving Fractions and decimals Word problems

*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

Christian Values

- Perseverance
- Forgiveness

The learning theme is:

Getting on with others - understanding that sometimes we need to learn to get along with people from other places, who may have different ways of doing things.

Common goals - by working together we can reach common ground to achieve better things.

Promoting spirituality

Understanding that although people can be from different faiths, they can also share many common beliefs.

Learning beyond the classroom

Pairwork and teamwork activities in Forest Schools, which build trust to help achieve a common goal. Sometimes it is necessary to follow the direction others lead us in.

Well Being

Appreciating how music is used to convey mood and support reflection, in life as well as in religious ceremonies.

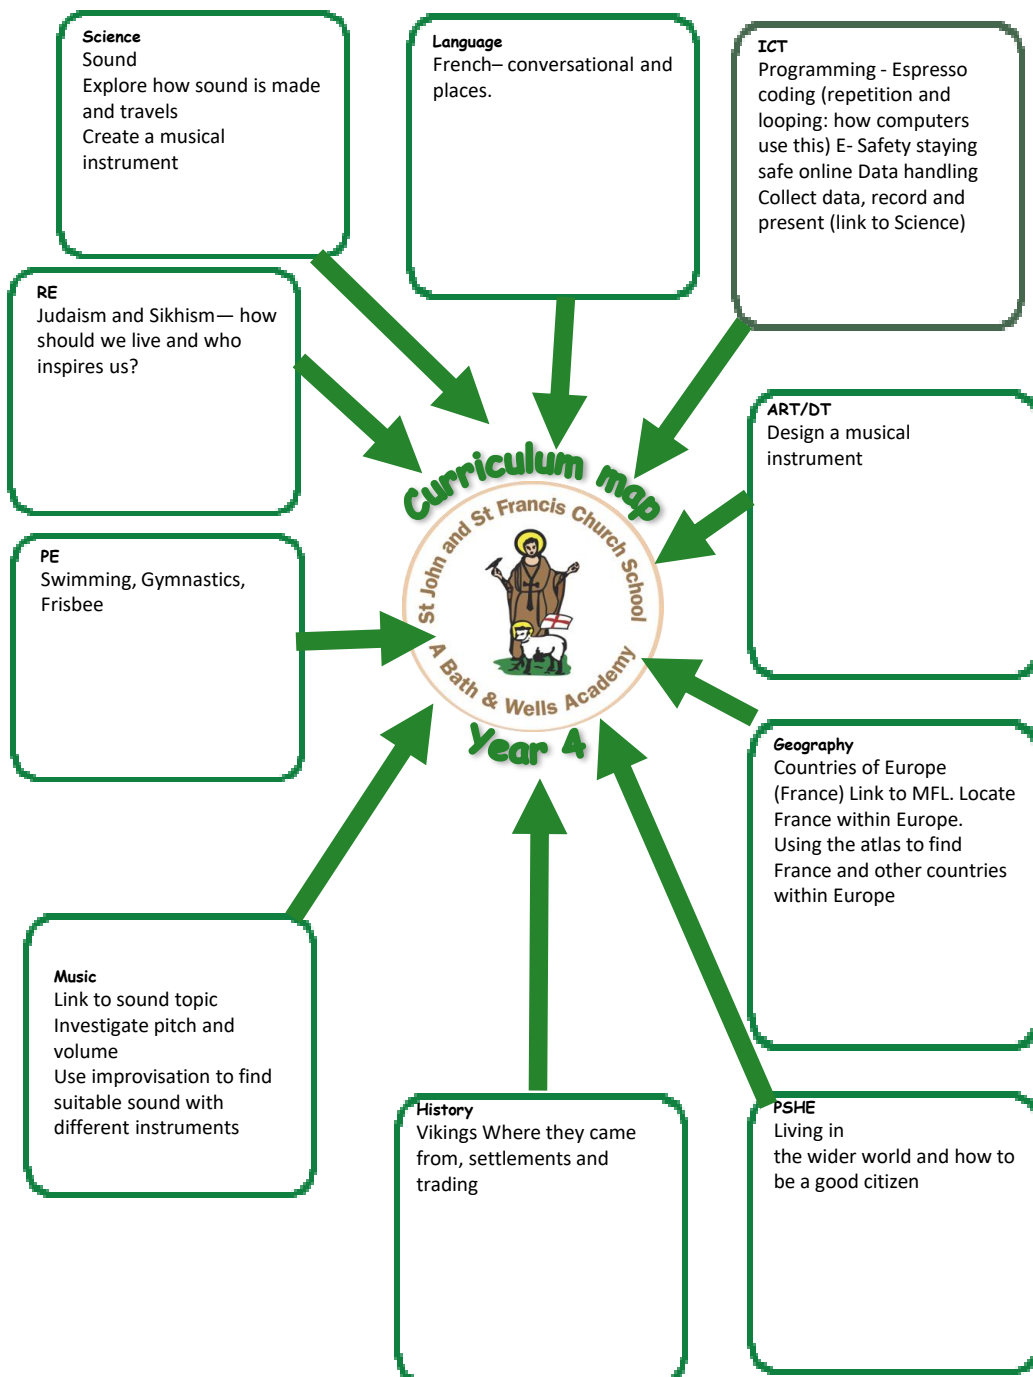

Wider community

Viking visitor/storyteller invited into school.

Performing a class assembly.

Christian Values

The children will learn the value of keeping going when things seem tough and to forgive others who have made wrong choices.

Primary curriculum Map 2017-18

Our Christian Values this term are:

Summer Term- our topics this term are Mayan Civilization and the United Kingdom

	Half term 1	Half term 2
Maths	Times table practice. Fractions and decimals. Measurements.	Times table practise Geometry, shape, position and statistics
English	Guided reading and comprehension Daily SPaG activities Narrative writing play scripts Poetry - all about me and into the box Narrative writing - suspense and mystery	Guided reading and comprehension Daily SPaG activities Narrative writing traditional British authors Persuasive writing - why have rules?

*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

Christian Values

- Peace
- Thankfulness

The learning theme is:

Appreciation – of the living things around us, of our own creation and abilities and of the values and traditions that have led to our modern British culture.

Promoting spirituality

Living things are used by different religions & cultures to represent elements of their faith. What symbols are there in Christianity and Hinduism? How can a symbol help us?

Learning beyond the classroom

Forest schools – Using our senses to discover the world around us. Making spider's webs from string and sticks to appreciate the wonder of God's creation.

Well Being

Health, fitness and sports week. What can we do to ensure that our diet and our bodies stay healthy? What activities can we do that will help?

Wider community

The children will test their own physicality in sports day and support that of others. They will enjoy the sense of community in the tradition of the summer fair.

Christian Values

The children will appreciate how nature is a symbol and source of peace. We are thankful for what it brings us in many aspects of our daily lives.
