

Primary curriculum Map 2017-18

Our Christian Values this term are:

Autumn Term-our topics this term are Romans and Materials

Maths	Securing x tables knowledge. Number - securing all 4 operations. Place Value - Read, write and order numbers to 1,000,000. 3D Shapes . Fractions and Decimals
English	2-3 x weekly comprehension and grammar, Daily spelling 10 minutes, Accelerated reader programme Weekly big write, looking at biographies of famous people. Writing our own biography about Boudicca, Queen of the Celts who fought the Romans. Information texts- how to make a Roman road.

*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

Christian Values

Friendship
Kindness

The learning themes this term are Romans and Materials.

Look at and study Roman Gods and religions. How does this relate to their own values?

What do we regard as materials? How can this relate to materialistic values and how does this impact on our Friendships and Kindness?

Promoting spirituality

What is an ambition? What is a goal? How do short ambitions and goals help us to reach more long term goals- what might these be for us?

Learning beyond the classroom

Building a Roman fort outside. Learn about and discuss Roman games and how they entertained themselves. Roman shield formations- how were these important to the Roman army?

Well Being

Cognitive understanding. Promoting cognitive and creative skills across all subjects. Importance of rest/relaxation and sleep which leads to healthy minds and bodies. Link between a healthy body and a healthy mind explored.

Wider community

Community assemblies: parents and family invite in to watch and find out what we have been doing. Visits and performances of the Christmas services at the local Salvation army. Harvest festival at St Francis church.

Christian Values

Friendship- What is Friendship? Why is it important to us? Why do we need friends? What can we do for our friends?

Kindness- connection made to friendship and exploring the role that kindness plays in ensuring that we keep our friends.

Primary curriculum Map 2017-18

Our Christian Values this term are:

Spring Term- our topics this term are Rivers and Space

Maths	Mental Multiplication and Division. Factors, Multiples and Prime Numbers Perimeter, Area and Volume. Written Multiplication and Division
English	2-3 x weekly comprehension and grammar. Daily spelling 10 minutes Accelerated reader programme. Weekly big write. Book focus- Kensuke's Kingdom by Michael Morpurgo. Looking at descriptive and adventurous writing. Looking at the Genre of science fiction and fantasy. Poetry- haikus and tankas.

*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

Christian Values

Forgiveness
Perseverance

The learning themes are Rivers and Space.

Children will develop an understanding of their place in the universe and learn about the different planets in the solar system.
We will look at gravity and how this affects our lives. We'll look at astronomers of the past, like Ptolemy, who persevered to get their ideas recognised in the face of skepticism.

We'll look at rivers and their importance to export and trade links.

Promoting spirituality

Identifying what makes a good choice and how we can continue to display this both inside and outside the classroom.

Learning beyond the classroom

Possible visit to @Bristol to visit the Planetarium linked to our Space and Materials topics.

Well Being

Discussing how a positive choice can affect our future and social experience. What should/could we do if and when we make the wrong choice?
How can this be put right?

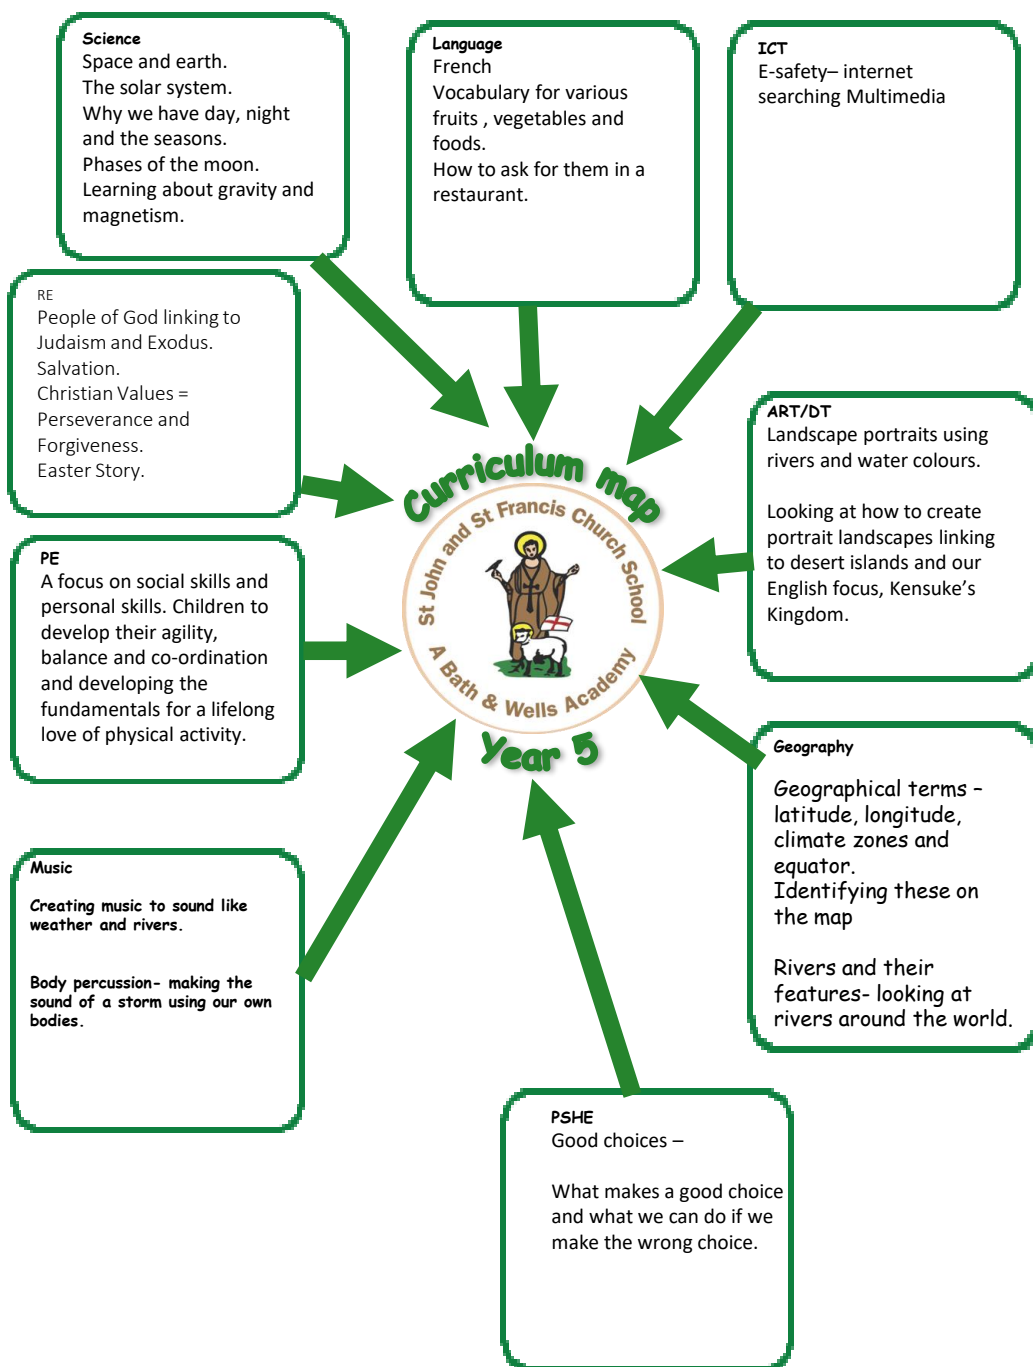

Wider community

Trip to the library to engage with and develop a love for reading and to promote the use of this amazing local and free resource.

Christian Values

Forgiveness- Who do we forgive and why? What happens to us if we find it difficult to forgive?

Perseverance- why do we need this? Link made to Ptolemy who persevered when everyone else thought he was mad.

Primary curriculum Map 2017-18

Our Christian Values this term are:

Summer Term- our topics this term are Anglo Saxons and animals including Humans- lifecycles

Maths	Percentages. Angle and Shape. Problem Solving through Measure Problem Solving using knowledge. Reading and Interpreting
English	2-3 x weekly comprehension and grammar. Daily spelling 10 minutes Accelerated reader programme. Weekly big write. Beowulf – narrative Newspaper Reports – Beowulf’s story Persuasive Writing – Letters to Hrothgar linked to Beowulf Poetry – Metaphors and Word Play. Film Narrative – Clocktower and Powerless

*This is a general guide to the Maths and English skills being taught in this year group. The St John and St Francis curriculum is flexible and designed to both support and challenge.

Christian Values
Peace
Thankfulness

The learning themes this term are Anglo Saxons and Animals including Humans- life cycles.

Children will improve their understanding of the events in history that unfolded after the Romans- this will link to some geography and outdoor learning. Life-cycles- the circle of life. What does this mean and how does it link to the journey of life?

Promoting spirituality

Animals/plants/humans -we are all wonderfully unique individuals- link made to genetics in science.

How can we, as humans, be peaceful and show thankfulness for what we have?

Learning beyond the classroom

Trip to Escot park- an Anglo-Saxon living history day. Children experience life as an Anglo-Saxon for the day.

Outdoor learning- weaving, planting, Wattle and dorb walls- how were these made during Anglo-Saxon days?

Well Being

Health, fitness and sports week.

What can we do to ensure that our diet and our bodies stay healthy? What activities can we do that will help?

Wider community

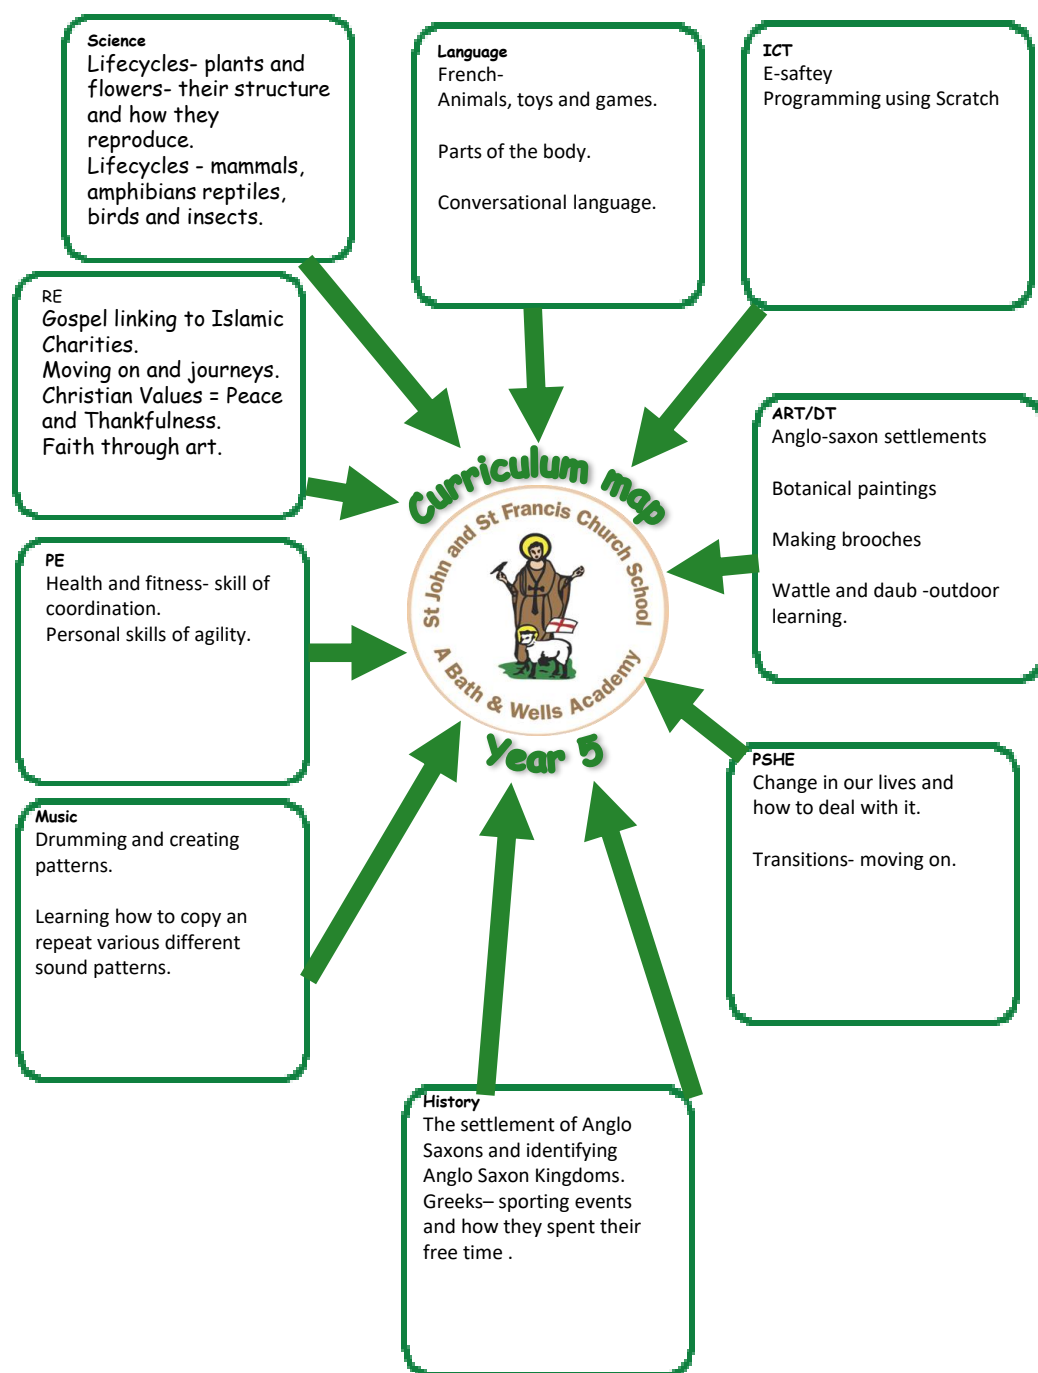

Sports day- parents and families invited in to watch

Police visit to promote E-safety

Christian Values

Peace- Reflecting on the the Christian values that we have talked about during the year and thinking about the impact they have on our peacefulness.

Thankfulness- Discussing and sharing what we have to be thankful for in the world.

Science
Lifecycles- plants and flowers- their structure and how they reproduce.
Lifecycles - mammals, amphibians reptiles, birds and insects.

Language
French- Animals, toys and games.
Parts of the body.
Conversational language.

ICT
E-safety
Programming using Scratch

RE
Gospel linking to Islamic Charities.
Moving on and journeys.
Christian Values = Peace and Thankfulness.
Faith through art.

ART/DT
Anglo-saxon settlements
Botanical paintings
Making brooches
Wattle and daub -outdoor learning.

PE
Health and fitness- skill of coordination.
Personal skills of agility.

PSHE
Change in our lives and how to deal with it.
Transitions- moving on.

Music
Drumming and creating patterns.
Learning how to copy an repeat various different sound patterns.

History
The settlement of Anglo Saxons and identifying Anglo Saxon Kingdoms.
Greeks- sporting events and how they spent their free time .
