## Cheddon CHAT 14 – Friday 6th January 2017

### Welcome back

I do hope that you have all had a wonderful holiday and start to the New Year. All of the adults have been working hard, planning exciting lessons for the children, developing new skills and learning strategies.

As ever, we will keep the school website and facebook page updated with photos and the latest information, so do keep checking in.

The Spring term is always one of intense work, where the children's progress and learning accelerates; I have no doubt that this one will be no different.

### Disabled parking bays

There have been several disputes recently over parents parking in the disabled bays in our car park. We have used these with some degree of leniency in the past. Unfortunately, this system no longer seems to work and people are questioning why people are parked in the bays. We do have a few parents/carers that are blue badge holders and it is unfair if they are unable to park in the bays. Therefore, we have had to make the decision that only people **displaying** a blue badge may park in allocated bays. We would be grateful if you could respect our decision.

### PREVENT

We like to keep everybody updated with the latest Safeguarding information; please do keep checking in on the school's website, under the safeguarding tab. Included here is information on PREVENT, which is a national initiative on stopping children from becoming groomed to take part in groups who hold extreme viewpoints.

### Parents' Forum

We always like to include parents' views on how we can continue to make our school even better. As part of this, we have held a parents' forum where issues can be discussed with a representative group of parents. Meetings are held once a term as a minimum for an hour or so of a morning. If you would like to take part in this, please let the office or your child's class teacher know.

### Attendance

This week's attendance in each class:

94.75	96.76	97.45	95.15	97.13
