## Cheddon CHAT 15 – Friday 13th January 2017

### Disabled Parking Bays

There have been several disputes recently over parents parking in the disabled bays in our car park. We have used these with some degree of leniency in the past. Unfortunately, this system no longer seems to work and people are questioning why people are parked in the bays. We do have a few parents/carers that are blue badge holders and it is unfair if they are unable to park in the bays. Therefore, we have had to make the decision that only people **displaying** a blue badge may park in allocated bays. We would be grateful if you could respect our decision.

### Stranger Danger

We tend to focus very heavily on e-safety and keeping children safe online. We also need to ensure that our children are aware of stranger danger and know what to do if they are approached by someone they do not know. Please spend some time with your children discussing this and making it clear that you can dial 999 at any time if you don't feel safe. It is also worth letting your children know that they can dial 999 from their mobile phones, even if they have no credit.

### Forest School

Mrs Mort is building a mud kitchen in our environmental area. She has asked if you have any old saucepans, plastic bowls or wooden (and plastic) utensils, could you hand them into the office over the next week. Thank you in advance.

### Polite Request

Could we please ask that if you are dropping your children to breakfast club in the morning, that you don't park in the area of the car park to the left of the disabled bays. Staff tend to park here and stack their cars up to free up more space in the car park for drop off and pick up. Thank you for your support.
