Dear Parent/Carer

PG Films used to support curriculum topics

Often, as part of curriculum topics, we use films to enhance and support the children's learning. Where possible, we will show films that are rated as a U but on occasions, it is not possible to find a relevant film at this rating.

Our topic this term is Chocolate and as part of this, we would like to show the film, Charlie and the Chocolate Factory. This film is rated as a PG and therefore, we would need your permission to show your child this film.

In order that we don't have to approach you every time this situation arises, we would be grateful if you would sign and return the below slip if you would prefer your child **not** to watch PG films. If we do not hear from you, we will assume that you have no objection.

Thank you.
