27th January 2017

Dear Parent/carers,

School Council Spring Clean

As you are aware the School Council are sponsoring 'The Open Door' as their chosen charity for this academic year.

Part of their aim is to help re-house the people who use the charity into accommodation of their own and help them to no longer sleep rough.

As a result of this 'The Open Door' helps to provide the men and women with basic equipment to use in their new homes, such as: cutlery, crockery, glasses, tea-towels, towels, bed linen and washing up utensils.

We, the School Council, would like our school community to help us provide 'The Open Door' with such items to help set up new homes for the people they serve.

These items **do not** need to be brand new, but things you no longer have use for. The golden rule is, if it is in good condition, but you no longer need it, someone at 'The Open Door' will.

Therefore we would like to ask that if you are planning a spring clean and can spare some of the items we have listed, we would be most grateful and able to help our chosen charity once more.

Any items can be brought into school and left in the collection boxes outside the office, NO LATER than Tuesday 21st February. Unfortunately, any items received after this date will not be accepted as the charity will collect our donations on that date.

With thanks.

The School Council
