Dear Parent,

## Newsletter Summer 2

Just after half term and what happened to summer! You may have noticed planting near the water feature – we are hoping to create an outdoor space for the Water Class tortoise, but I think he would also like some sunshine! Well done to all our Year 6 and Year 2 children who have undertaken their statutory end of key stage assessments. They all worked very hard and were well supported by their teachers.

### Ms Creighton

At the beginning of the school year Miss Creighton joined our school staff as an apprentice teaching assistant. I'm pleased to inform that she will be remaining with us for the following year to undertake a Level 3 apprenticeship. We are really enjoying having her as part of our staff team.

### Music Afternoon

This is at 2pm on Thursday, 6<sup>th</sup> July. We will hold our Music Afternoon in the school grounds, which was really successful last year, but if it is wet it will be rescheduled for next term.

### Tesco Grant

Our Shepherd's Hut is now beginning to look part of the landscape. The furniture is awaiting delivery so that we can begin to use the space. A group of our children visited Sherborne Girls School and had a brilliant afternoon making models based  
Yours sincerely,

on some of the GCSE student designs.

I'm hoping that we can soon place these on display once they are fired.

We would love to have some sheep templates cut from marine ply which the children can decorate. This would give us a small flock around the Shepherd's Hut. Is there a parent who has the right equipment to cut out such templates about the shoulder height of a child in Water class which is about one metre? The school would be happy to pay for the materials; we just need someone who would be happy to carry out the task!

### Reading Moments

We will now be having some reading moments for children to read to children during this term. Our first one was really enjoyable as children shared books with others.

### Bags to School

We don't currently have a date for this event.
