

Physical Education and Sports Funding – proposed expenditure for 2017-18
Objectives: to provide opportunities and support to develop PE and Health Education

Leader: Helen Barker (Lead coordinator PSHE&C and PE) and Headteacher

Link Governor: PSHE&C & PE governor

We will be successful if:

1. Teaching staff will have the opportunity to update and develop their teaching of physical education
2. Each child experiences high quality PE and sports teaching relevant to their age and stage of development.
3. We develop opportunities in Health Education

Evidence for this:

- Support provided by specialist teachers for teaching staff to update and development their teaching of PE and sport
- High quality PE and sports teaching provided by specialist coaches
- Feedback from teaching staff from development opportunities
